**SIGNATURE  
COCKTAILS**

*Little Miss Trouble* 

Inspired by the classic spritz cocktail, the combination lychee, lemon, elderflower and prosecco will make even the shyest young lady into a troublemaker. A visual and flavourful masterpiece, ideal for festive gatherings or intimate evenings.

*St Germain Elderflower Liqueur  
Prosecco, Lychee & Lemon, Mint & Soda*

• \$18.5 •

*That's so Fetch!* 

It's kind of fun to do the impossible. Nice, refreshing and a little sweet. The vodka provides the base, while the watermelon does the rest. Guaranteed to get the party started. Let's dance!

*Ketel One Vodka / Watermelon Liqueur  
Lime / Sugar / Raspberry / Mint*

• \$23 •

*The Italian Job* 

Veni, Vidi, Vici! "I came, I saw, I conquered!" Rum for a kick, fresh lemon keeps it tart, Amaro Montenegro for blusher, and a cinnamon for a sweet finish. Fruity and refreshing, summer in a glass.

*Pampero Especial Rum / Lemon / Apple  
Amaro Montenegro / Cinnamon Syrup*

• \$23 •

*El Guapo* 

Guapo means handsome in Spanish, and this is one handsome little devil. We kept messing around with an Margarita style drink, and this is the one that won. Orange, coconut, and subtle chilli provide the base, while the tequila does the rest.

*El Jimador Reposado Tequila, Lime  
Coco Lopez Coconut Cream, Triple Sec, Chilli*

• \$23 •

*Ginger Rogers* 

We named this drink after Fred Astaire's most famous dancing partner and collaborator because the drink, like the movie star, has spice, panache, grace, and style. A few of these and you'll be asking, "shall we dance?"

*Bacardi Spiced Rum, Orange, Lime  
Ginger & 5 Spice*

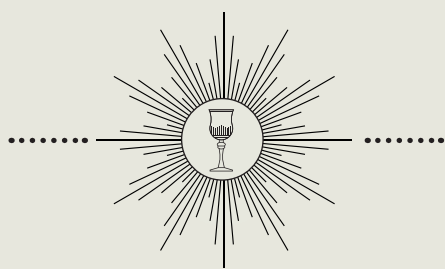

• \$24 •

*Fear and Loathing* 

Turn the goddamn music up!  
My heart feels like an alligator!  
The chartreuse and lime compliment the floral flavour of the tequila. Memories, scents, flavours come flooding back and you relive your voyage to Mexico!  
Good people drink good tequila!

*El Jimador Reposado Tequila, Lime  
Green Chartreuse & Agave*
